SKILLS

- HTML, CSS, JavaScript
- Responsive Web Design
- Bootstrap
- Sass, NPM Package Manager
- React, Redux
- Git and GitHub
- API Integration Knowledge
- UI/UX Collaboration
- Domain Management, Hosting Knowledge
- Proficient in utilizing ChatGPT and other AI technologies.

EDUCATION

DCE - Diploma in Computer Engineering

Score - 75% (2018-2020)

IRT Polytechnic College,
Tirunelveli

HSC

Score - 55% (2017-2018)

Periyar Govt Higher Secondary School,
Tirunelveli

SSLC

Score - 84% (2015-2016)

Periyar Govt Higher Secondary School,
Tirunelveli

SUMMARY

Self-motivated computer science graduate with a focus on **front-end development**, dedicated to **self-learning** and proficient in **HTML, CSS, JavaScript, Bootstrap, Sass, React, Redux, and TypeScript**. Proven ability to create **responsive** and visually appealing web applications, coupled with a passion for staying **updated** on industry **trends**. Familiar with **NPM** for package management and skilled in version control using **Git** and **GitHub**.

PROJECTS

NPNG Online Course Platform

Languages: HTML, CSS, JavaScript, TypeScript
Frameworks/Libraries: React, Bootstrap
Styling: Sass
Version Control: Git, GitHub

- Developed a comprehensive **online course platform**, demonstrating expertise in **HTML, CSS, and JavaScript**.
- Created an intuitive user interface using **React, Bootstrap, and Sass**, ensuring a seamless learning experience.
- Implemented state management with **Redux** and wrote type-safe code with **TypeScript**.
- Successfully collaborated with a team to deploy the platform on **GitHub**, showcasing proficiency in version control with **Git**.
- The project highlights a well-rounded skill set in front-end technologies and end-to-end project management.

CryptoCanvas Static Website

Languages: HTML, CSS, JavaScript
Frameworks/Libraries: Bootstrap
Styling: Sass
Version Control: Git, GitHub

- Led the development of Crypto Canvas **static** website, showcasing a keen eye for **design** and **user experience**.
- Implemented **responsive** layouts using **Bootstrap** and **enhanced visual** appeal with **Sass**.
- Integrated real-time cryptocurrency data, demonstrating proficiency in data integration. Employed **React** for seamless **UI** updates and utilized **Redux** for efficient state management.
- Collaborated with a team, ensuring smooth version control through **Git** and **GitHub**.
- This project highlights my ability to combine technical skills with a focus on aesthetics in web development.
